The Huntsville Times

Engineering, Technology & Security Clearance

CAREER EXPO

As a result of base consolidation by the Pentagon, Huntsville is preparing for an influx of up to 12,000 people in the next few years! Aerospace and Defense clearly dominate the industry but biotech is also strong. Huntsville has a greater concentration of PhDs than most cities. You have a 1 in 12 chance of meeting a Rocket Scientist in Huntsville!

Package Includes:

Four weeks of advertising in **The Huntsville Times** Classifieds, as well as throughout the paper to attract the passive job-seeker. Exhibitors will receive a 1/8 page individual ad in BOTH **The Huntsville Times and the Redstone Rocket**. Ad value alone is \$1500! Event enhanced and supported by **AL.com**, Alabama's #1 recruitment website. Al.com features over 100,000 FRESH local resumes, and over 1 million national resumes! **Support includes:** Virtual Job Fair, Employer Profile Page, Recruiter Desktop, Unlimited Job Listings for 1 month

Searchable resume database
