Form a Team and Join the American Cancer Society's Relay For Life in Madison County

Plans are under way for the American Cancer Society's annual fundraiser, Relay For Life® of Madison County. Events in Huntsville, Madison and Hazel Green are being planned for spring 2010. Now is the time for individuals, families, community groups, corporations and small businesses to commit their Relay For Life team participation.

Relay For Life events are held overnight as individuals and teams camp out at an athletic track, park or other gathering area, with the goal of keeping at least one team member on the track at all times...walking throughout the evening. Teams do most of their fundraising prior to the event, but some teams also hold creative fundraisers at their camp sites during Relay. Relay brings together friends, families, businesses, hospitals, schools, faith-based groups . . . people from all walks of life – all aimed at furthering the American Cancer Society's efforts to save lives by helping people stay well, by helping them get well, by finding cures and by fighting back.

Relay provides the American Cancer Society with money to support vital, cutting-edge cancer research; provide cancer patients with– free wigs, college scholarships, transportation to treatment, free lodging at our Hope Lodge, etc.; publish lifesaving literature on cancer prevention, detection and tobacco control; and develop a new generation of medicines that help those battling cancer.

Join us at the spring events to celebrate those who have battled cancer, remember those lost, fight back against the disease, and help the American Cancer Society realize its vision of a world with less cancer and more birthdays.

To sign up, participate or learn how you may volunteer, visit the local American Cancer Society office in Huntsville at 2745 Bob Wallace Avenue, Suite A or call 536-1855. You can also find more information at www.relayforlife.org
