

For Immediate Release:

Village of Providence Christmas Tree Lighting Helps Toys for Tots!

Huntsville's Village of Providence prepares for a Holiday celebration like no other. This year, in support of Marine Toys for Tots Foundation, they will be collecting unwrapped toys to donate to help less fortunate children experience the joy of Christmas; to play an active role in the development of one of our nation's most valuable resources – our children.

Friday, November 25th from 5:00 PM- 8:00 PM, you can make a huge difference in the life of a child and support efforts by our military. "It's the right thing to do, to help the less fortunate and support our military," said Todd Slyman, of the Village of Providence. "They have their duty as soldiers and we have our duty as a community to support their initiative." Slyman added. The toys will be given to Marine Toys for Tots and distributed to needy children.

This year, Providence will kick off the event with complimentary photos with Santa, beginning at 5:00 PM. The tree lighting takes place at 7:00 and you and your family can listen to the carolers, enjoy hot chocolate, cookie decorating, and a place to drop off a letter to Santa himself!

Come out and help us enjoy this special night as we celebrate the Holiday's and support Marine Toys for Tots.

New unwrapped toys may also be dropped off at The Village of Providence office, Providence Café, or Capstone Realty through December 9th. For information, please contact event coordinator Diane Hasley of Capstone Realty at (256) 714-6590 or by email at diane@dianehasley.com.
