

# PARTNERSHIP for Biotechnology Research

## Connections: Engineering and Biotechnology Seminar

**Monday, February 6, 11:45 - 1:00 PM**

*Our host and sponsor:*

### *Achieving Business Success in Biotechnology and Bioengineering*

*Dr. David Ku, Director of the Center for Entrepreneurship's Program for Engineering Entrepreneurship at Georgia Tech, will speak about his experiences bringing biotechnology solutions to the patient's bedside and developing start-up companies through careful selection of methods for product development.*

*For more info on Dr Ku*  
<http://www.me.gatech.edu/faculty/ku.shtml>

**Reservations required** at [workshop@alpbr.org](mailto:workshop@alpbr.org).  
Seating is limited to 70.

6723 Odyssey Dr NW  
Huntsville, AL 35806

*SAIC proudly hosts  
this lunchtime seminar  
featuring box lunch  
served beginning at 11:40 AM.*

*Donations will be accepted for the John  
Siegel Memorial Fund.*
