

# Small Business Awards Celebration 2008

## Non-Profit Nomination Form

Presented by:  **REDSTONE**  
FEDERAL CREDIT UNION

### Does your organization have what it takes to be a winner in 2008?

Successful enterprise in today's economy requires a new strategy for non-profit organizations: social entrepreneurship. It combines the passion of social mission with a business-like approach to the marketplace, and enables non-profits to find – and keep – a productive balance between doing good and paying for it. Does your organization follow this new vision?

Tell us about your organization – the outstanding efforts you want noticed. No achievement is too small to be worthy of recognition. Your nomination will be handled with complete confidentiality and is the only way an organization can be considered for this year's award which will be announced at the Chamber of Commerce of Huntsville/Madison County's 23rd annual **Small Business Awards Celebration**. Please complete and return this form today.

### Why should I compete?

- Be recognized as a competitor in all media releases, promotional materials, and programs for the awards banquet
- Receive a listing on the Chamber's Web site, [www.HuntsvilleAlabamaUSA.com](http://www.HuntsvilleAlabamaUSA.com), and
- Be recognized as a competitor before 1,000 event participants and potential customers

### Judging will be based on:

- Community Involvement
- Innovativeness of Program/Services
- Financial Strength
- Number of Years in Operation
- Employment/Volunteer Growth
- Ability to respond to challenges
