

Identify, Educate, and Inspire Leaders to Serve

LEADERSHIP

HUNTSVILLE/MADISON COUNTY

Leadership is the flagship program of Leadership Huntsville/Madison County. Our mission is to identify, educate, and inspire leaders from every sector of our community to serve as agents of change. Meeting once a month for 10 months, the program days include panel discussions, site tours, and interactive interviews with community leaders and subject matter experts throughout Madison County.

Participant Benefits

- Professional development
- Create valuable community networks and relationships
- Increase access to the leader in you
- Confidence/motivation to serve as a change agent in the community
- Enhance problem solving skills

Employer Benefits

- Network with community leaders
- Employee retention due to increased community engagement
- Increase sensitivity of diversity in the workplace and the value it adds
- Heightened awareness of issues impacting economic development

Application Deadline for Leadership Class 26 is May 15, 2012
