FOR IMMEDIATE RELEASE

NORTH ALABAMA WELCOMES MAJOR LEAGUE BASEBALL

(February 4, 2010) New Hope, Alabama --Effective January 1, 2010, Tara Graphics became the new owners of Sky Box Sport Scenes (SBSS). SBSS brings the baseball stadium experience to fans year-round with officially licensed Major League Baseball (MLB) photomurals. Purchasing SBSS was a natural transition for Tara Graphics because they have been the preferred manufacturer for the former Massachusetts-based SBSS since 2004. SBSS' MLB photomurals are distributed nationally by sports merchandising and wallpaper retailers across the United States.

Tara Graphics is a family owned and operated large-format print shop operating in New Hope, Alabama since 1991. As the new owners of SBSS, Tara Graphics is committed to continuing superior customer service and quality control. SBSS retailers are greeted with friendly customer service and access to a fully automated online ordering system and drop-ship capabilities. SBSS has over 30 MLB stadium wallpaper photomurals in 4'x6' and 8'x12' sizes. Tara Graphics will be launching an additional product line under SBSS in Spring 2010.

Tara Graphics hired Alissa Ramsay in September 2009 to oversee the acquisition proceedings and operate as SBSS' Product Manager. "This is an exciting addition to Madison County's resume of businesses located in North Alabama," Ramsay said, "MLB photomurals are a hot commodity and we are looking forward to growing the company, expanding product lines, and continuing to contribute to our growing community."
