### **Redstone Federal Credit Union presents \$3,565 check to North Alabama Children’s Miracle Network – Credit Union for Kids initiative**

**February 11, 2010** – Redstone Federal Credit Union presented a \$3,565 check to representatives of the North Alabama Children’s Miracle Network – Credit Union for Kids initiative from funds raised during 2009.

“Credit Unions across the country collaborate with credit union chapters...like ours, along with leagues and business partners to raise much-needed funds that benefit 170 Children’s Miracle Network hospitals, said Mary Grace Evans, Assistant Vice President of Membership and Community Relations at Redstone Federal Credit Union. “Redstone Federal Credit Union has partnered with the North Alabama Children’s Miracle Network for several years. This year, we sponsored a Stars Buyout Night at Joe Davis Stadium...in conjunction with the Huntsville Stars baseball team. It was a fun night and we received a lot of support from the community.”

Evans said the funds raised support new facilities, equipment, research programs, patient services, special patient needs and health education programs benefiting millions of children annually.
