

Kids to Love to Begin Annual School Supply Drive

Back-to-school will be much brighter for foster children in Alabama and Tennessee. The Kids to Love Foundation, a 501(c)3 approved non-profit organization dedicated to meeting the needs of foster children, is getting ready to begin its annual School Supply Drive. Students will receive brand new backpacks filled with grade-appropriate supplies for the 2010-2011 school year.

If you would like to help a foster child start the year on the right foot you can donate any of the following supplies: one-subject notebooks, filler paper, ink pens, pencils, pencil boxes, pocket folders, 3-ring binders, crayons, glue sticks, rulers, colored pencils, markers and backpacks. Donations will be accepted throughout the month of July. Drop-off locations and volunteer opportunities will be announced in the coming days.

The Kids to Love Foundation's School Supply Drive has experienced steady growth since its start in 2004. It now meets the education needs of more than 4,000 children in the states of Alabama and Tennessee.
