## Press Release

---

### **IERUS Technologies Receives HUBZone Certification**

(HUNTSVILLE, AL – December 7, 2011) IERUS Technologies is pleased to announce the Small Business Administration has recognized IERUS as a HUBZone company. This designation is for companies that meet specific employment criteria ensuring contracting and employment opportunities are available in underutilized and underemployed regions. IERUS Technologies is now eligible to receive HUBZone contracting opportunities.

Dr. Jason M. Keen, President of IERUS Technologies, said "IERUS prides ourselves in being a premier option for high-end EOIR and RF research, design, and analysis. We believe we are one of the few HUBZone options for support in these areas and are excited for the opportunities and advantages it offers to our customers, employees, and future employees."

IERUS Technologies is a HUBZone certified defense contracting company headquartered in Huntsville, AL specializing in EOIR / RF design, modeling and simulation in NAICS codes 541330, 541712, and 541511.
