Southern Convention Services, Inc. Acquires New Warehouse

December 18, 2009

Madison, AL: Southern Convention Services (SCS), a leader in event production, proudly announces the acquisition of the Greenbrier Gin and Warehousing Complex through Greenbrier Holdings. The complex, located at 26921 Old Highway 20 in Madison, effectively triples SCS warehousing capacity. The nine-acre property is strategically located near both SCS and I-565 and will provide ample room for continued new product and client growth.

SCS Exhibits and Imagine Media, its design and graphics affiliates are regional and national leaders in design innovation for exhibit and event production. This dramatic expansion of warehousing services will benefit clients of the entire SCS family of companies.

"This property is a strategic purchase for our company in that it removes impediments to continued rapid growth in our exhibit design/fabrication, graphics, and exposition businesses. It also paves the way for us to add new businesses to our company," said SCS President Bryan Boyd.

Since its inception in 1987, Southern Convention Services has grown rapidly in both size and scope. Originally conceived to provide trade show support services, SCS now offers comprehensive event production and marketing support. This acquisition by Greenbrier Holdings, LLC is another positive step forward in the continued growth of this dynamic company.
