

Foreign-based Companies in Huntsville/Madison County

Country	Company	Description
Canada 	Cinram Inc.	Cinram manufactures and distributes DVDs and related home entertainment products.
	CDL Systems Ltd.	CDL Systems develops the Vehicle Control Station (VCS) software suite – a fully integrated command, control and information system designed for operating unmanned vehicles in a variety of roles.
	Epic Data Corporation	Epic Data is a lean manufacturing and data collection systems integrator.
	Future Electronics	Future Designs provides total turnkey product design and development including hardware, software, engineering, manufacturing and supply chain management.
	MATSU Alabama, Inc.	MATSU Alabama is a manufacturer specializing in the stamping and welding of metal products that are integral in the assembly of a variety of automobile OEM's including Honda, Hyundai and General Motors.
	Mitchell Plastics	Mitchell Plastics manufactures injected molded components/assemblies for the automotive industry.
	Optimal Geomatics, Inc.	Optimal Geomatics specializes in geospatial information services including digital photogrammetry, GIS/LIS, AM/FM, data base design and attribution, topographic mapping, GPS surveying, digital ortho photos, LiDAR, and stock aerial photography.
	PESA Switching Systems, Inc.	Designs and produces wideband routing switchers, live news switchers, point-to-point links and compact single-chassis interface processors.
	Ultratec Special Effects Inc. (formerly Le Maitre Special Effects)	Ultratec Special Effects manufacturers professional stage and close proximity pyrotechnics for the entertainment industry.
France 	AREVA NP (Parent company-AREVA Group)	AREVA NP is the world's leading supplier of nuclear power plant design, equipment and services.
	ESI North America	ESI North America is a leading software editor for the numerical simulation of prototype and manufacturing process engineering in applied mechanics. The key to ESI North America's success is the use of realistic material physics, providing "as good as real" virtual solutions, in order to replace the lengthy trial and error processes on real prototypes.
	Saint Gobain Grains & Powders	Saint-Gobain Grains & Powders provides high-quality abrasive and refractory materials to industrial manufacturers throughout the world.
	Thales	Thales is a global technology leader for the aerospace, space, defense, security and transportation markets.
Denmark 	Terma North America (subsidiary of Denmark-based Terma)	Terma develops systems and services for defense agencies, civilian authorities, and security applications, including command and control systems, radar systems, self-protection systems for aircraft, space technology, and advanced composite aerostructures for the aircraft industry.
Germany 	Aviagen North America (Parent company: Erich Wesjohann Group)	Aviagen is the largest broiler breeding company supplying 44% of the world market. Breeding stock is developed for the chicken industry using genetic selection techniques.
	BASF Catalyst, LLC	BASF Catalyst makes catalytic converters, a system that treats automobile emissions and other types of engine emissions, essentially removing pollutants before they are released into the atmosphere.
	Hanson Pipe & Precast	Hanson manufactures concrete drainage products such as drainage pipe, precast manholes, storm drain structures and precast bridge components.
	KÖMMERLING USA, Inc.	KÖMMERLING manufactures and sells rigid PVC foam sheets.
	Mems Optical (Parent company: Jenoptik)	Mems Optical designs and manufactures micro-machines and micro-optics.
	MWG-Biotech (Operon Biotechnologies)	MWG-Biotech offers a wide and comprehensive range of high-quality oligos, probes, and primers, as well as custom synthesis including a full range of longmers and modified oligos - all in a variety of scales, concentrations, formats, and purification levels.
	Thyssenkrupp System Engineerings	Thyssenkrupp designs, develops, builds and installs customized powertrain assembly systems including test and gauging systems for engine, transmission, axle, and drivetrain assembly systems for the automotive and related industries.
	Turner Universal (Parent company: Hochtief)	Turner is a commercial and industrial general contractor.
Ireland 	Advanced Innovations	Advanced Innovations creates and orchestrates global supply chain networks that design, build and deliver electronics products.
Israel 	Elbit Systems of America (Parent company: Elbit Systems)	Elbit Systems of America is a provider of high performance products and system solutions focusing on the defense, homeland security, commercial aviation and medical instrumentation markets.

Foreign-based Companies in Huntsville/Madison County

Country	Company	Description
Italy 	AugustaWestland Corporation (Owned by Finmeccanica)	AugustaWestland is a total capability provider in the vertical lift market specializing in rotorcraft systems design, development, production and integration for military and commercial customers.
